

Two different poses of George Smith taken,  
I have been told, when he was Mayor of Park  
City, Utah. About 1905.

George Smith's home in Park City as it looked in 1905. Aunt Olive on step, I think.

Mary Ann Moulton Smith and George Smith at home in Heber. (Doyle's home at this time.)  
Dec. 1990.

George Smith's home in Park City as it looks now. The dark wall has a garage underneath and a patio-balcony like structure where the porch once was. Earl at 92, in front.
